Spacious, welcoming, and full of charm, The Dairy Cottage is designed for memorable seaside stays with the people who matter most.

This beautifully presented 3-bedroom self-catering cottage blends rustic character with modern comfort, creating the perfect setting for family breaks, multi-generational holidays, or relaxed getaways with friends.

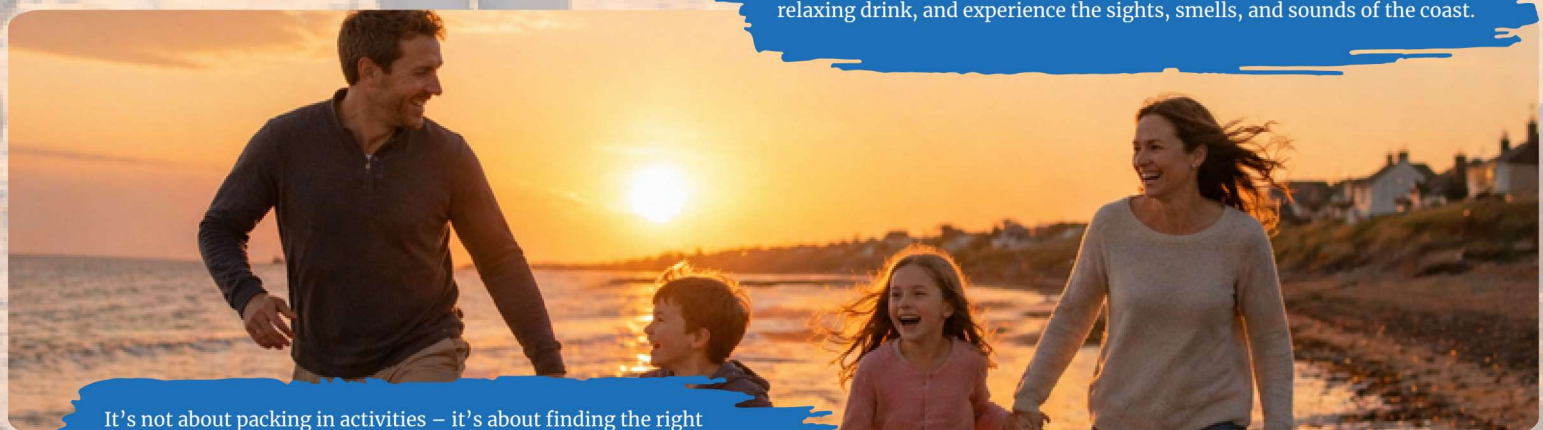

Inside, you'll find plenty of space to settle in from the open-plan kitchen, dining, and living area to cosy bedrooms designed with comfort in mind. Upstairs, a west-facing landing offers a lovely sea view, while the master bedroom's unique porthole windows frame those golden Norfolk sunsets beautifully.

Whether the kids are fresh from a beach adventure, the dog is happily snoozing after a coastal walk, or everyone's gathered around the table planning tomorrow's outing, The Dairy makes holiday living feel effortless.

The White Horse is a favourite place to eat and drink, perfectly located alongside the salt marsh. There's no better place to enjoy great food, a relaxing drink, and experience the sights, smells, and sounds of the coast.

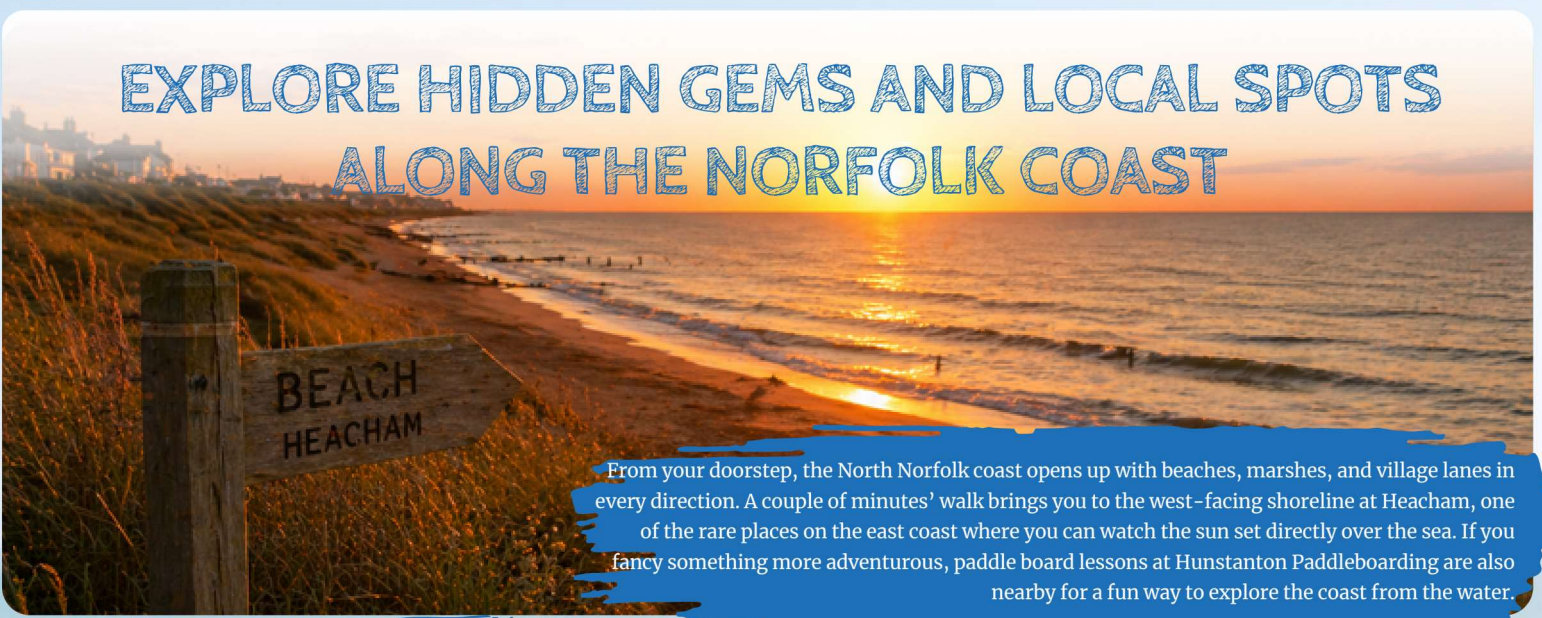

It's not about packing in activities – it's about finding the right moments: a quiet village morning, a beach walk at low tide, or sitting outside as the sky turns pink over the sea.
