

Welcome to mYminiBreak The Stables

Romantic mini breaks. Dog-friendly adventures. Unforgettable Norfolk moments

There's something special about escaping to the coast with the one you love.

At The Stables, your stay is all about slowing down — peaceful mornings, beach walks just minutes away, cosy evenings together, and star-filled nights from the comfort of your chalet.

Perfectly designed for couples, these romantic chalet studios offer a relaxing Norfolk retreat where coast and countryside meet.

Your romantic getaway doesn't have to mean leaving your best friend behind. We're proudly dog-friendly, with beautiful beach walks, countryside paths, and plenty of fresh sea air waiting just outside your door.

EVERYTHING YOU NEED FOR A PROPER NORFOLK MINI BREAK

Each Stables chalet includes everything you need for a relaxing mini break: a comfortable double bed, private en-suite shower and toilet, kitchenette with microwave, kettle, fridge, toaster, and hot hob, dining space for simple meals, Smart TV with streaming access, free WiFi, your own stable door, private parking bay, and even space to enjoy a BBQ on warm evenings — all just a 3-minute walk from the beach.

One of the things couples love most about The Stables? The simplicity. No crowded hotels. No busy schedules. Just your own cosy chalet near the coast, where beach walks, seaside dinners, and slow evenings come naturally.

And yes — dogs are welcome too

Whether you're escaping for romance, fresh sea air, or a spontaneous dog-friendly break, The Stables are made for slowing down and making memories together.

YOUR EASY NORFOLK ARRIVAL

A stay at The Stables isn't just about comfort and cosy evenings — Norfolk offers endless opportunities for adventure, from scenic coastal walks and dog-friendly beaches to award-winning pubs, charming market towns, romantic sunsets, and unforgettable days out together.

With minimal street lighting, this part of Norfolk is a Dark Sky Discovery area — perfect for stargazing. Look out for the Great Bear (Ursa Major), and in summer, try to spot the Scorpion (Scorpius) low on the southern horizon.

Visit Holkham's huge, iconic beach — a breathtaking stretch of golden sand famously featured in Shakespeare in Love (1998), and one of Norfolk's most unforgettable places for romantic walks, sunsets, and coastal adventures.

MAKE THE MOST OF YOUR STAY

When you book The Stables, you're choosing the perfect romantic base for days filled with coastal adventures and nights spent unwinding together.

There's something special about The Stables — a place made for slowing down, making memories, and enjoying meaningful moments together. The kind of romantic escape you'll still be thinking about long after you've gone home.
